

# **Part 1...DRIVING CONDITIONS**

## **DIRECTIONS**

- 1 In the table below, complete one checkpoint at a time. Start with Checkpoint 1. Discuss and assign Unsupervised Driving Privileges for Checkpoint 1. Use the recommendations or write in your own.
- 2 Decide how long Checkpoint 1 privileges should remain in effect. Use the recommendation or select your own time period. Based on the length of time you agree on, write in the date to review teen progress.

3 Fill in the "refrigerator magnet" below and post it where it will be an easy reminder.

4 On the review date, consider moving to the next Checkpoint if teen passes the Quick Check:

◆If teen progress is not satisfactory, set another review date for the current Checkpoint.

◆If teen progress is satisfactory, discuss and assign Unsupervised Driving Privileges for the next Checkpoint. Then decide on the time period and write in the review date. Continue until you have completed all four Checkpoints.
