MEMBERSHIP INFORMATION

This Member Guide describes your AAA Tidewater Virginia member benefits. All members are entitled to receive Classic benefits. Members who have paid the AAA Plus®, AAA Plus RV, AAA Premier®, or AAA Premier RV dues are entitled to receive the AAA Plus or AAA Premier benefits, as applicable. AAA Plus RV or AAA Premier RV provide Roadside Assistance benefits to include motor homes, dual-wheel campers, travel trailers, motorcycles licensed for highway use, and pick-up trucks with campers (including fifth wheel campers) and certain recreational trailers in areas where available. Extended Roadside Assistance services for AAA Plus, AAA Plus RV, AAA Premier or AAA Premier RV benefit levels, where available, and certain AAA Premier benefits are effective seven (7) calendar days after processing, and receipt of the full payment due. AAA Premier benefits that have a 7 day wait period include the following: Tow of up to 200 driving miles, Vehicle Locksmith, One-day Free Rental Car with in-territory tow, Discount on the paid ID theft products, Home Lockout Service, and Windshield Repair.

A non-refundable service fee applies each time you use Roadside Assistance for the first three days of your new membership. See AAA.com/ServiceFee for fee amount. When you upgrade, you are upgrading for everyone on your membership. Membership is for personal, non-commercial use. Members cannot transfer or sell their membership, membership benefits or any roadside assistance service calls to any other person. Without limiting any other rights or remedies it may have, AAA Tidewater Virginia may cancel the membership, and seek payment of any costs incurred as a result of such misuse. The area serviced by AAA Tidewater is one of nine territories ("Affiliate Territories") serviced by one of the following affiliated clubs: AAA Alabama, AAA East Central, AAA Hawai'i, AAA New Mexico, AAA Northern New England, AAA Texas, AAA Tidewater, Automobile Club of Missouri, and Automobile Club of Southern California.

AAA Membership

All applications and renewals are subject to approval and acceptance by AAA Tidewater Virginia. If at any time during the year you decide that AAA is not for you, we will give you a prorated refund of your membership dues paid, exclusive of the new member admission fee and discounts.

Membership eligibility, dues, fees, services and benefits are subject to change without notice. Returned checks and returned electronic payments may be re-presented electronically for payment. Each returned check and returned electronic payment is subject to a returned payment fee. For returned electronic payments, this fee may be debited electronically.

AAA Primary and Associate Memberships

The first membership in your household is the Primary Membership.

An Associate Member must be of legal driving age and reside in the same household as the Primary Member. Associates enjoy the same membership benefits as Primary Members. Primary Members are responsible for the conduct and the service demands of his or her Associates and any costs to AAA Tidewater Virginia incurred as a result of misuse of benefits by Associates under the membership. A maximum of six (6) associates are allowed per membership. An individual may be a member on only one (1) membership at a time.

Membership Renewal

AAA Tidewater Virginia membership is valid for one (1) year (excluding special offers and promotions). The day and month and, in most cases, year that your membership expires appears on your membership card.

Membership may be renewed annually upon payment of applicable annual membership dues. Prior to the expiration of your membership, you will receive one or more renewal notices. These notices will state the names of the current Primary and Associate Members, the current services, and the total membership dues required for renewal. You may add or change Associate Members and services if desired. Your renewal payment is due as of your membership expiration date. We will accept renewal payments for up to 90 days after your membership expiration date. If you renew your membership prior to your membership expiration date or within 90 days thereafter, your original membership number, membership join date and membership expiration date will remain unchanged and your renewed membership term will expire one (1) year from your membership expiration date, even if such new expiration date is less than one year from the date you paid for your renewal. AAA Tidewater Virginia will continue

to provide most membership benefits and services to you after your membership expiration date for a limited period of time; however, if you do not renew, you will be billed a service charge for certain services used during such period.

If you prefer not to renew, you may purchase a new membership at any time subject to all applicable new membership policies. New memberships are issued with new membership numbers, no prior "membership years," and may require payment of certain non-refundable fees, such as a new member admission fee. New memberships expire one (1) year (excluding special offers and promotions) from the membership join date.

Membership Cancellation Policy

AAA Tidewater Virginia may cancel any Primary or Associate Membership if the conduct of the Primary or Associate Member is determined to be harmful to the welfare, standing, or best interest of AAA Tidewater Virginia, its employees, or its members. Membership may also be cancelled if the service demands of the Primary Member or Associates are determined to be excessive. Primary Members are responsible for the conduct and the service demands of their Associates.

AAA Auto Pay

By enrolling in AAA Auto Pay, your membership dues will be on automatic payment and your membership will renew automatically for one (1) year unless you call us at 800.501.4222 or visit your local branch to cancel AAA Auto Pay or your membership prior to your membership expiration date. Each year, we will send you a statement of your current services and renewal dues amount no less than 30 days prior to your expiration date. We will charge the dues shown on your statement seven (7) business days before your expiration date from your credit/debit account on file if paying by credit or debit card, or about one (1) business day before your expiration date from your checking account on file if paying with ACH payment.

You agree that we may contact you at the phone number on file via a prerecorded voice message, auto-dialer, or text message in the event your AAA Auto Pay fails or in other circumstances related to AAA Auto Pay or your membership. Payments that cannot be processed or payments returned unpaid or otherwise rejected by your financial institution may result in cancellation of AAA Auto Pay enrollment and membership. Returned checks and returned electronic payments may be re-presented electronically for payment. Each returned payment is subject to a returned payment fee, which may be debited electronically. For fee amount, visit AAA.com/ServiceFee.

If your card issuing financial institution participates in the Card Account Updater program, we may receive updated card account number and/or expiration date for your card on file. Unless you opt out of the program with your card issuer, we will update our files and use the new information for AAA Auto Pay. We will not receive updated information if your account has been closed.

Collecting Your Contact Information

As a membership organization, it's vital for AAA to have our members' current contact information (e.g., address, phone and email) in order to provide member benefits and to inform members of the various products and services offered by AAA. We will ask for your contact information when you first become a member. Thereafter, when you contact us, we will ask for your contact information to authenticate your identity and to ensure that we have your most current contact information. If you provide an email address, we will send you emails informing you of Member products and services, unless you unsubscribe.

Non-Solicitation Request

If you do not want offers from us or our affiliates, contact your local AAA branch or write to AAA Tidewater Virginia, Attention: Membership Privacy, PO Box 630588, Irving TX, 75063-0130 and provide your full name and street address, membership number, telephone number and email address along with your request to be placed in our Do Not Solicit File.

Your request will take effect within 60 days of our receipt. During this time, you may receive mailings that were already in progress. You will continue to receive AAA Explorer magazine, other communications directly related to your membership, and promotional offers with your bills and renewal notices.

We send a privacy notice annually, as required by law. We reserve the right to modify this Notice at any time.

ROADSIDE ASSISTANCE

Roadside Assistance

You may request Roadside Assistance three ways:

- Call 1.800.AAA.HELP (4357)
- Clicking "Request Roadside Assistance" on the Auto Club App
- Clicking "Call for Roadside Assistance" at the top of the AAA.com homepage

Calls placed to our 24-hour call centers may be recorded to increase our ability to monitor the quality of service and assist in addressing member concerns. **Please contact us and cancel your service request immediately if you no longer need assistance.**

When requesting service, be prepared to provide:

- Your name and AAA membership number
- Telephone number from which you are calling or can be contacted
- The exact location of your vehicle and nearest cross streets
- Make, model, year, color and license plate number of the vehicle
- Nature of the trouble

A SAFETY MESSAGE

If you are concerned for your safety or for the safety of others, tell the AAA Tidewater Virginia service representative or the service provider. Procedures have been established to assist members in certain situations.

When requesting Roadside Assistance, it is very important to give an accurate location for you and your vehicle. If you are unsure of the vehicle's location, or you prefer not to remain with your vehicle, advise the service representative, who will work with you to establish a mutually agreeable location for the service driver to meet you. Accept service only from service providers that display the AAA or AAA Tidewater Virginia emblem.

YOUR AAA MEMBERSHIP CARD IS YOUR KEY TO SERVICE

To receive Roadside Assistance, you must present your AAA membership card or dues receipt and a matching valid driver's license or other state or federally issued photo identification to the service provider when the service vehicle arrives. Your identification may be scanned or swiped to verify your identity and authenticity of your identification. You must provide a driver's license for identification if you are the driver.

Service is available only to the person named on the membership card who is the driver of or a passenger in the vehicle at the time of the vehicle disablement. AAA memberships are not transferable, and membership service is not provided to non-members. Other members of your household who want Roadside Assistance must have their own membership cards, in their own names, to obtain service.

Unless a valid AAA membership card and matching valid driver's license or other state or federally issued photo identification are presented at the time of service, you will be required to pay for the service provided at commercial rates.

If a member is injured in an automobile collision, the service provider, when requested, will take possession of the vehicle and hold it until receiving instructions from the member. Any storage fees will be the responsibility of the member.

ALLOWABLE ROADSIDE ASSISTANCE SERVICE CALLS

Each AAA Tidewater Virginia cardholder is entitled to four (4) Roadside Assistance service calls or reimbursements for personal, non-commercial use per membership year at no charge, subject to the service limitations and conditions in this guide. There will be a service charge for each additional service call after the fourth service call or reimbursement. AAA Tidewater Virginia may require immediate payment of a service charge by credit or debit card for "Classic" benefit level service before providing Roadside Assistance on the fifth or subsequent service request in a membership year. Additional charges for Roadside Assistance services beyond the "Classic" benefit level, such as towing beyond five (5) miles, the cost of emergency fuel, excess vehicle locksmith services, and services such as towing, extrication/winch and tire change service for RVs and motorcycles, will be payable by the member directly to the service provider at the time of service at such service provider's applicable rates. If the member is unable to provide a valid credit or debit card to AAA Tidewater Virginia at the time of service request or the charge is not approved by the credit or debit card company, AAA Tidewater Virginia may send service on a "Cash on Delivery" (COD) basis, meaning all charges payable by the member will be paid directly to the service provider at the time of service at such service provider's applicable rates. If a cardholder has an unpaid service charge balance and contacts AAA Tidewater Virginia for Roadside Assistance service, AAA Tidewater Virginia may require immediate payment of both the unpaid balance and the service charge for the current service call before providing service. The nonpayment of a service charge may result in cancellation of membership.

AAA PLUS RV and AAA PREMIER RV ROADSIDE ASSISTANCE BENEFITS

With AAA Plus RV or AAA Premier RV, the benefits described below are extended to include motor homes, dual-wheel campers, travel trailers, motorcycles licensed for highway use, and pick-up trucks with campers (including fifth wheel campers) and certain recreational trailers in areas where available. Tow and extrication and winching benefits for RVs and motorcycles and tire change for RVs are available as allowable service calls for AAA Plus RV and AAA Premier RV members. AAA Tidewater Virginia will pay up to \$500 towards services per allowable RV/Motorcycle service call, up to \$1,000 total per household per membership year on allowable RV/Motorcycle service calls. Members will be responsible for all other costs of service above that amount. AAA Plus RV and AAA Premier RV do not, however, add extra allowable service calls.

TYPES OF SERVICE

• MINOR MECHANICAL FIRST AID

When it is safe, minor repairs may be attempted at the scene to place the vehicle in a drivable condition. These repairs cannot be guaranteed, and members should immediately proceed to a repair facility to consult a mechanic. AAA Tidewater Virginia cannot guarantee the availability of repairs. The AAA Tidewater Virginia service representative or the service provider can assist you in locating a local AAA Car Care Center or AAA Approved Auto Repair facility, upon request.

• FLAT TIRE SERVICE

If the vehicle's spare tire is inflated and serviceable, it will be installed to replace a flat tire, if possible. When a serviceable spare tire is not available or cannot be installed, towing will be provided under the towing benefit. If this service is for an RV, it is subject to the RV/Motorcycle dollar amount limitations described in TOWING SERVICE – RV/MOTORCYCLES section.

• BATTERY JUMP START

If your vehicle's battery is dead, the service provider driver will jump-start your vehicle if possible. If it cannot be started, towing will be provided under the towing benefit.

• AAA MOBILE BATTERY SERVICE

AAA Mobile Battery Service is a mobile battery testing and replacement service. In areas where the service is available, a AAA Mobile Battery Service technician will test and assess the vehicle's battery and electrical system. If the existing battery fails the test and the Member would like to have the battery replaced, the Member can purchase a AAA battery. The technician will install a new battery, if available, that meets or exceeds the vehicle's original specifications. All batteries come with a 3-year free replacement period valid in the U.S. and Canada. **AAA Mobile Battery Service is part of Roadside Assistance for AAA Members, generally provided by independent service providers, and is only available in select areas during select hours.** Batteries and battery warranties are provided by independent suppliers. The battery test and replacement service count as one (1) of the Member's four (4) allowable service calls per Membership year. Batteries are available for most makes and models. Battery prices vary depending on vehicle make and model. Copies of the warranties are available for inspection from the technician at any time upon request. Membership Roadside Assistance terms and conditions apply to AAA Mobile Battery Service. Members must request and/or schedule battery service by contacting AAA.

• EMERGENCY FUEL DELIVERY

If your vehicle runs out of fuel, a limited supply will be delivered, if available, in an emergency situation to enable you to reach the nearest gas station. Classic members will be charged for the fuel at the current pump price. AAA Plus, AAA Plus RV, AAA Premier, and AAA Premier RV members will not be charged for the limited supply of fuel. Specific brands or octanes cannot be promised. In some cases, your vehicle may have to be towed if it runs out of fuel. Vehicles requiring diesel fuel will be towed.

• EXTRICATION/WINCHING SERVICE

If your vehicle becomes stuck, one normally equipped service vehicle and one driver will be provided to extricate or winch your vehicle when it can be safely reached from a normally traveled road or established thoroughfare. Extrication of vehicles parked on streets, driveways, parking lots or alleys which are snowbound or flooded is not covered under AAA membership. Service does not include shoveling snow from around a vehicle or clearing a road or driveway. If special equipment, more than one service vehicle or more than one person is required, the associated costs may be at your expense. AAA Plus and AAA Premier members who require extrication or winching of a vehicle, including an RV or motorcycle, will be provided up to two drivers and two service vehicles, if needed, subject to the dollar amount limitations described in TOWING SERVICE – RV/MOTORCYCLES section.

• VEHICLE LOCKOUT AND LOCKSMITH SERVICE

When the keys are locked inside the vehicle passenger compartment, the service provider will attempt to gain entry. If this attempt is not successful and the services of a vehicle locksmith are required to gain entry, the expenses are fully covered or reimbursable. (See Reimbursement.)

When the services of a vehicle locksmith are required for lost or broken keys, keys locked in the trunk, or other automotive emergencies, vehicle locksmith service up to \$60 in parts and labor will be provided for Classic members. AAA Plus and AAA Plus RV members receive up to \$100 for parts and labor for the services of a vehicle locksmith, and AAA Premier and AAA Premier RV members receive up to \$150 for similar locksmith services. If a vehicle locksmith is not available or cannot place the vehicle in an operable condition, towing will be provided under the towing benefit. Registered owner must be with vehicle for locksmith service.

• TOWING SERVICE

When a vehicle cannot be started or safely driven, due to a sudden or unexpected breakdown, accident or other covered vehicle disablement, towing service is available. A covered vehicle disablement is a sudden or unexpected mechanical, electrical or other failure of a motor vehicle that places the vehicle in an unsafe or undrivable condition. Not all service providers perform repairs at their facility. A member must be present when the vehicle is delivered to a closed repair facility. Towing beyond the benefits described will be performed at the member's expense and may be subject to delay.

- **TOWING SERVICE – NON-RV/MOTORCYCLE VEHICLE**

The independent service provider can tow the vehicle back to its facility, no matter how far away, at no charge to the member. If you choose to have the non-RV/Motorcycle vehicle towed to another location (including a AAA Approved Auto Repair facility), it will be towed without charge to a destination of your choice that is up to five (5) driving miles from the point of breakdown on allowable service calls for Classic members and up to 100 driving miles from the point of breakdown on allowable service calls for AAA Plus and AAA Plus RV members. AAA Plus RV Members may use any or all of their four allowable calls for RV or Motorcycle service, subject to limits described below.

With AAA Premier and AAA Premier RV, you can use one (1) allowable Roadside Assistance service call per household per membership year for a non-RV/motorcycle tow of up to 200 driving miles, and the remaining allowable service calls in the membership year for tows of up to 100 driving miles. AAA Premier RV Members may use any or all of their four allowable calls for RV or Motorcycle service, subject to limits described below.

AAA Plus, AAA Plus RV, AAA Premier and AAA Premier RV benefits increase the distance limits on non-RV/motorcycle tows for the 4 allowable service calls per membership year as described above, but do not add extra allowable service calls. AAA Plus, AAA Premier and RV/Motorcycle towing may be subject to a delay.

- **TOWING SERVICE – RV/MOTORCYCLE**

AAA Plus RV and AAA Premier RV provide tow benefits for RVs and motorcycles, as well as extrication and winching, and tire change service for RVs, as allowable service calls. AAA Tidewater Virginia will pay up to \$500 towards services per allowable RV/Motorcycle service call, up to \$1,000 total per household per membership year on allowable RV/Motorcycle service calls. Members will be responsible for all other costs of service above that amount. Members may use any or all of their allowable calls for an RV or Motorcycle. In the event the RV is disabled while pulling an eligible trailer, including fifth wheel trailers, a tow will be provided for the disabled vehicle and the trailer on an allowable service call, subject to the dollar amounts described above.

RENTAL CAR BENEFITS

(In conjunction with an in-territory Roadside Assistance Tow)

All rental car benefits described below are valid in AAA Tidewater Virginia only. Rental car benefits must be used in conjunction with a tow which is one of the four (4) allowable Roadside Assistance service calls.

A member whose car is being towed and who needs a rental car in AAA Tidewater Virginia territory can get a replacement vehicle at a discounted rate from a AAA Tidewater Virginia preferred rental car provider.

If you are a AAA Premier member whose car is being towed and who needs a rental car in the Tidewater Virginia territory, we will arrange for you to get reimbursed for a rental car, a standard vehicle, for one (1) day, at no charge, from a AAA Tidewater Virginia preferred rental car provider. Rental must be arranged by AAA Tidewater Virginia. Each AAA Premier household is entitled to one (1) complimentary one-day standard class or equivalent rental car reimbursement per membership year. Coverage applies when the member's car is inoperable in conjunction with a non-collision covered towing event. The AAA Premier member has up to 48 hours from the time of the tow to contact AAA Tidewater Virginia and request the one-day complimentary rental car benefit. Service must be provided by the rental car provider arranged through AAA Tidewater Virginia by calling the AAA Roadside Service number on the back of the membership card and cannot be for an out-of-territory rental. AAA Premier members are responsible for subsequent days' rental charges, upgrades, vehicle insurance, mileage and fuel charges, and any other charges, fees or taxes.

Once the one-day complimentary rental car benefit has been used, AAA Premier members are entitled to the AAA discounted rental car rates described above for the balance of the membership year.

You will need to present your AAA membership card and a major credit card at the time of rental. Normal rental qualifications and other restrictions, including age restrictions, apply. Rental cars are subject to availability. Rental fee subject to change. A refundable deposit may be required.

RIDE ASSIST

If you are a AAA Premier member and have an accident or breakdown, a AAA Tidewater Virginia representative can help you make rental car or other transportation arrangements.

ACCIDENT ASSIST

AAA Premier members can receive verbal assistance at the time of an accident or breakdown. When you call for Roadside Assistance, a AAA Tidewater Virginia representative can help you contact family members, locate restaurants and find hotel accommodations.

INDEPENDENT SERVICE PROVIDERS

In many areas, Roadside Assistance is provided by AAA Tidewater Virginia employees and AAA Tidewater Virginia owned vehicles.

In some areas, facilities are independent businesses and are not employees of AAA or its affiliates. We select independent service provider facilities for their ability to handle service calls, but we cannot guarantee that these facilities will always have the parts and the equipment to make immediate repairs.

While responsibility for injury, loss, damage or unsatisfactory workmanship caused by the acts or omissions of any independent service provider remains with the independent service provider, AAA Tidewater Virginia will attempt to assist members in resolving complaints involving an independent service provider. Member complaints should be received as soon as possible and before additional repairs are made. Failure to do so may limit our ability to assist.

ELIGIBLE VEHICLES

The following motor vehicles are eligible for service, provided they are not loaded, altered or constructed in such a way as to cause damage or create a hazard when being serviced:

- Automobiles, pickup trucks, sport utility vehicles, vans, minivans and light utility motor vehicles are eligible for those services which can be safely performed with equipment available from the service provider, including slings, wheel-lift devices, car carriers (flatbeds) and dolly wheels. Rented passenger vehicles are eligible for all service except locksmith service.
- Recreational Vehicles (RVs) are eligible for service with the exception of towing, extrication/winching and tire change service. Towing, extrication/winching and tire change service for RVs is available under AAA Plus RV and AAA Premier RV benefits. RVs include motor homes, dual-wheel campers, travel trailers, pick-up trucks with campers and fifth wheel campers and recreational trailers including utility trailers carrying recreational vehicles or equipment (excludes commercial and horse/livestock trailers). ATV trailers, boat trailers, and personal watercraft trailers must be carrying their designated recreational equipment or must be empty to be eligible for service.
- Motorcycles are eligible only for the delivery of fuel and locksmith services. Towing and extrication and winching service for motorcycles is available under AAA Plus RV and AAA Premier RV benefits. Motorcycles must be licensed for highway use.

SERVICE OUTSIDE AAA TIDEWATER VIRGINIA TERRITORY

Outside AAA Tidewater Virginia territory, AAA Tidewater Virginia members are entitled to Roadside Assistance from the local AAA or Canadian Automobile Association (CAA) club servicing the area. Members will be required to pay the service provider for any service that the local AAA or

CAA club does not normally provide its members. An application for reimbursement of service charges may be submitted to AAA Tidewater Virginia for consideration. (See Reimbursement.)

CHECK ACCEPTANCE FOR EMERGENCY REPAIRS

A member's personal check for up to \$250 will be accepted by the service provider for emergency repairs and services. A valid membership card and driver's license will be required for identification.

EXTREME SERVICE CONDITIONS

AAA Tidewater Virginia will make every effort to ensure that the provision of Roadside Assistance can be made under all conditions. During severe weather or road conditions, however, there may be some service delays before help can reach you. Heavy traffic may also delay the arrival of the service provider driver. Because towing is by far the most time consuming type of service AAA Tidewater Virginia provides, towing operations may be temporarily suspended to avoid excessive delays to members waiting for other services. During such times, priority will be given to members stranded away from shelter or to members with vehicles that have skidded and/or become stuck on highways in severe snowstorms.

SERVICE LIMITATIONS

Service does not include the cost of parts or labor necessary to complete repairs. These are the vehicle owner's responsibility. AAA Tidewater Virginia cannot guarantee the availability of repair service at the service provider facilities.

Service will be limited to that which can be provided with equipment ordinarily used for Roadside Assistance by the service provider serving the area. Service will not be provided when the disabled vehicle cannot be safely reached or serviced without damage to the vehicle or servicing equipment, or the member may be required to sign a liability release form for physical damage before service is rendered.

Service may not be used as a substitute for regular maintenance necessary to keep a vehicle in good operating condition. AAA Tidewater Virginia cannot render service repeatedly to a vehicle in need of repair.

Service is intended for personal, non-commercial use, and only provided for a covered vehicle disablement. An individual's AAA membership may not be used by a business or organization to provide Roadside Assistance for its customers, employees or vehicles including, but not limited to, taxicabs, limousines, shuttles and other commercial vehicles for hire.

Towing service will not be provided for the purpose of transporting vehicles due to a purchase, sale, renovation, auction transaction, car show exhibition, charitable donation, relocation or any other similar situation. Such tows are considered "convenience tows" and are not covered Roadside Assistance services.

Without limiting any other rights or remedies it may have, AAA Tidewater Virginia may seek reimbursement from a primary or associate member for Roadside Assistance services fraudulently or wrongfully obtained by the primary or associate member. Primary members are responsible for the conduct and the service demands of their associate members.

The following services are not provided under the membership benefit:

- Service to a vehicle located in an area not regularly traveled by private passenger vehicles (such as a beach, open field, creek bed, private, logging or forest service road).
- Shoveling snow from around a vehicle or clearing a road or driveway.
- Servicing or extrication of vehicles on inaccessible streets, back roads, driveways, parking lots or alleys which become snowbound or flooded.
- Towing of vehicles purchased in an inoperable condition.
- Cost of vehicle locksmith services beyond what is necessary to place the vehicle in a condition to be safely driven (such as duplicating keys, non-emergency lock repairs and re-keying of vehicle locks).
- Service in situations where a membership card and matching valid driver's license or other state or federally issued photo identification is not provided to the service driver, you must provide a driver's license for identification if you are the driver.
- Use of two or more Roadside Assistance service calls to extend the member tow mileage benefit for the same breakdown.
- Towing, extrication/winch and tire change service for RVs and towing and extrication and winching service for motorcycles, unless the member has AAA Plus RV or AAA Premier RV benefits.
- Towing to or from auto dismantlers or salvage yards, or from one storage location to another.
- The installation or removal of snow tires or chains.
- Charges related to impound or stolen vehicle recovery, towing or storage.
- Installation of automotive parts that are not provided by an independent service provider.
- AAA Plus, AAA Plus RV, AAA Premier and AAA Premier RV services prior to seven (7) calendar days after processing, and receipt of full payment due.

REIMBURSEMENT

If it is necessary for a member to pay for covered membership service at commercial rates, the member must request an itemized receipt listing the member's name, vehicle and services rendered by the service provider. For reimbursement consideration, the member must complete a Roadside Assistance Reimbursement form and present or send the original receipt and an explanation of the circumstances to any AAA Tidewater Virginia branch within 90 days of the date of service. A reimbursement counts as a Roadside Assistance service call. (See Allowable Roadside Assistance Service Calls.) You may obtain a Roadside Assistance Reimbursement form at AAA.com

Reimbursements for services, including services received outside of AAA Tidewater Virginia territory, will only be considered for those membership services which AAA Tidewater Virginia provides without additional charge. (Exception: Vehicle locksmith service will be reimbursed up to \$60 for Classic members, up to \$100 for AAA Plus members and up to \$150 for AAA Premier members.) Certain terms, conditions and exclusions apply and are subject to change without notice. A service charge will be deducted from a reimbursement when applicable. Reimbursement is not provided for taxi fares, telephone calls, rental cars, etc.

Members will be reimbursed for membership services at the prevailing commercial rates when AAA service was requested from a AAA or CAA club, but the membership could not be verified. Reimbursement will be issued upon subsequent verification that the member's valid membership was in effect at the time of service.

All reimbursement requests should be submitted to AAA Club Services, Attn: ERS A-321, PO Box 25001, Santa Ana, CA 92799-5006.

PARTIAL REIMBURSEMENT

Only partial reimbursement, limited to the amount AAA Tidewater Virginia would have paid an independent service provider, will be made when AAA was not contacted to provide service. If towing is covered by an automobile insurance policy, the maximum reimbursement for a tow bill will be limited to the amount AAA Tidewater Virginia would have paid an independent service provider to provide the service. Certain terms, conditions and exclusions apply and are subject to change without notice. A service charge will be deducted from a reimbursement when applicable.

Home Lockout

If you are a AAA Premier member and you become locked out of your home, you can receive up to \$100 in locksmith services to pick or drill the lock to gain access to your home from the outside. Home lockout service is reserved for a AAA Premier member's primary residence in AAA Tidewater Virginia territory only and excludes all other buildings or locked areas. The service provides up to \$100 for the cost of re-keying, changing locks or making a new key only when the lock must be drilled to gain entry to the home or if keys are lost or stolen. Any charges in excess of \$100, as well as all charges associated with any other residential locksmith services, are at the expense of the AAA Premier member.

Home lockout service is limited to one (1) usage per AAA Premier household per membership year. A home lockout service call does not count as one of the four service calls. Home lockout service is not transferable to any other person. The AAA Premier member must be present at the time of service. Identification and proof of residence is required. In the case of rental property, approval of the property owner may be required. Service is valid only in the AAA Tidewater Virginia territory. Service is provided by independent locksmiths and is subject to availability; if AAA Tidewater Virginia cannot dispatch service, the member will be referred to a commercial locksmith and will be reimbursed for covered service up to \$100. Locksmith arrival time is based on locksmith availability.

Car Buying Service*

The AAA Car Buying Service provides an easy-to-use, stress-free car buying experience. Choose from a network of Certified Dealers to purchase your next new or pre-owned vehicle. The AAA Car Buying Service allows members to research vehicles, obtain average price paid by others, obtain pricing on local dealer inventory, and get a Vehicle Certificate to take to the Certified Dealer.** To find the nearest Certified Dealer or to buy a new or pre-owned car, go to AAA.com/AutoManager.

*AAA Car Buying Service is managed by TrueCar, Inc. Available for select makes and models and in select areas. Limited supply and special edition vehicles may be excluded. Other restrictions may apply. See Certified Dealer for details. Not all dealers participate in the Car Buying Service program and dealers may be subject to change at any time without notice.

**New Cars: You will receive upfront Member Price offers on in-stock dealer inventory. Not all dealer inventory is presented online. The Member Price is an offer directly to you. It includes the vehicle's MSRP minus incentives and dealer discounts. It excludes dealer fees and accessories, applicable tax, title, licensing, other state and governmental charges and/or fees, and is subject to change based on incentives eligibility. The AAA Car Buying Service and TrueCar do not set vehicle pricing and are not responsible for errors in the pricing information communicated to you by a Certified Dealer through the AAA Car Buying Service site. A vehicle configured on the website is a "virtual vehicle" and may not exist at a Certified Dealer. Certain terms, conditions and restrictions apply. The MSRP, or Manufacturer's Suggested Retail Price, is the price suggested by the manufacturer. Used Cars: The Used Vehicle Certificate shows the dealer's advertised price for used cars.
