Automobile Club of Missouri

Battery Reimbursement Application

Please be aware of these eligibility requirements:

Refunds will only be given to the original battery purchaser.

Refunds will only be made if AAA was contacted BEFORE the AAA battery was replaced, and we were either unable to provide service, or a AAA battery was no longer available for your vehicle.

The request must be postmarked or received within 60 days after the date of replacement.

Required documents:

- 1. ☐ The original AAA invoice provided by the service provider for the purchase of the AAA battery.*
 - *If original invoice is not available, battery purchase must be verified by AAA before refund will be made.
- 2.

 A printed test result for the failed AAA battery.**
 - **If a printed test result is not available, please retain the AAA battery for further inspection.
- 3.

 A copy of the receipt for the replacement battery that is in the name of the original purchaser and reflects the original vehicle.

Please follow these instructions:

- 1. Please complete all sections of this form to the signature line. (Please type or print legibly to expedite processing.)
- 2. Please check the boxes above, attach the required documents to this form, and mail to:
