MEMBERSHIP INFORMATION

This Member Guide describes your AAA Texas member benefits. All members are entitled to receive Classic benefits. Members who have paid the AAA Plus® or AAA Premier® dues are entitled to receive the AAA Plus or AAA Premier benefits, as applicable. Extended Roadside Assistance services for AAA Plus® AAA Plus® RV, AAA Premier® or AAA Premier® RV benefit levels, where available, are effective seven (7) calendar days after processing, and receipt of the full payment due. A non-refundable service fee applies each time you use Roadside Assistance on the same day you become a member. See AAA.com/servicefee for fee amount.

AAA Premier benefits that are available immediately after purchase include the following: Personal Notary, CARFAX Vehicle History Report, Air and Rail processing fee waiver, Automotive Consultation, Car Buying Consultation, Vehicle Pricing Report benefit, and Vehicle Inspection Program rebate.

Membership is for personal, non-commercial use. Members cannot transfer or sell their membership, membership benefits or any roadside assistance service calls to any other person. Without limiting any other rights or remedies it may have, AAA Texas may cancel the membership, and seek payment of any costs incurred as a result of such misuse.

AAA Texas Membership

All applications and renewals are subject to approval and acceptance by AAA Texas. If at any time during the year you decide that AAA is not for you, we will give you a pro-rated refund of the membership dues you paid, excluding the new member admission fee and discounts. **Membership eligibility, dues, fees, services and benefits are subject to change without notice.**

AAA Primary and Associate Memberships

The first membership in your household is the Primary Membership. An Adult Associate must be at least 21 years old and reside in your household. There is a limit of one Adult Associate per household. Dependent Associates must be under 26 years old and either live in your household or be full-time students away at school. Birth dates must be provided for Dependent Associates; there is no minimum age limit. Adult and Dependent Associates enjoy the same membership benefits as Primary Members. Primary Members are responsible for the conduct and the service demands of their Associates and any costs to AAA Texas incurred as a result of misuse of AAA Texas benefits by their Associates under the membership. An individual may be a member on only one membership at a time.

Annual Dues Option

AAA Texas memberships paid annually are valid for one year (excluding special offers and promotions). The day and month and, in most cases, year that your membership expires appears on your membership card. Prior to the expiration of your membership, you will receive one or more renewal notices. These notices will state the names of the current Primary and Associate Members, the current services, and the total membership dues required for renewal. You may add or change Associate Members and services if desired.

Your renewal payment is due as of your membership expiration date. We accept renewal payments up to 90 days after your membership expiration date. If you renew your membership prior to your membership expiration date or within 90 days thereafter, your original membership number, membership join date and membership expiration date will remain unchanged and your renewed membership term will expire one year from your membership expiration date, even if such new expiration date is less than one year from the date you paid for your renewal. AAA Texas will continue to provide most membership benefits and services to you after your membership expiration date for a limited period of time; however, if you do not renew, you will be billed a service charge for certain services used during such period.

If you prefer not to renew, you may purchase a new membership at any time subject to all applicable new membership policies. New memberships are issued with new membership numbers, no prior "membership years," and may require payment of certain non-refundable fees, such as a new member admission fee. New memberships expire one year (excluding special offers and promotions) from the membership join date.

By enrolling in AAA Auto Pay for the annual dues option, your AAA membership dues will be on automatic payment and your membership will renew automatically for one year unless you contact us to cancel AAA Auto Pay or your membership prior to your membership expiration date. Each year, we will send you a statement of your current services and renewal dues amount no less than 30 days prior to your expiration date. We will charge the dues shown on your statement about 10 to 15 days prior to your expiration date from your debit/credit card account on file or about one business day before your expiration date from your checking account on file. Returned checks and electronic payments may be re-presented for payment. Each returned payment is subject to a returned payment fee, which may be debited electronically. For fee amount, visit AAA.com/servicefee. Payments that cannot be processed or payments returned unpaid or otherwise rejected by your financial institution may result in cancellation of AAA Auto Pay enrollment and membership. You may cancel AAA Auto Pay or update your credit or debit card account number and/or expiration date at any time by calling us at 1.800.765.0766, going online at AAA.com/myaccount or visiting your local branch. You may cancel your membership at any time by contacting us at 1.800.765.0766 or visiting your local branch.

Monthly Dues Option

The monthly dues option for AAA membership requires the authorization of automatic payments charged to a credit or debit card ("Monthly Auto Pay"). You will receive notice of your monthly dues and scheduled payment date upon joining, annually thereafter, and when you make changes to your membership. Your payment will be processed up to four (4) days after: (i) your scheduled payment date or (ii) if your payment date is not contained in a given month, the last day of the month. **Your membership will automatically renew each month until you cancel it. You may cancel your membership at any time, without future dues payment obligations, by contacting us at 1.800.765.0766 or visiting your local branch at least three (3) days prior to your next scheduled payment date.** There is no requirement to keep your membership for a full membership year or any number of months. **You must cancel your membership at least three (3) days prior to your next scheduled payment date to avoid renewal for an additional month. Monthly dues payments are non-refundable.** If we are unable to process your monthly payment, your membership benefits will be suspended and you will need to re-authorize your Monthly Auto Pay enrollment and make the past due payment at least three (3) days prior to your next scheduled payment date or your membership will automatically cancel and you will be billed for any roadside assistance services used after your missed payment. You can make changes to or cancel Auto Pay online at AAA.com/myaccount, by phone at 1.800.765.0766, or by visiting your local branch.

If you add or remove associate members or change your member benefit level, it may take up to two billing cycles for the new amount to be charged. If the change results in an increase in your monthly dues, we may process an additional charge for the amount of any effective increase that was not previously charged. If the change results in a reduction of your monthly dues, both a charge and refund may appear on your next credit or debit card statement. New associates or benefit level upgrades will be effective immediately upon processing, subject to applicable wait periods. **If you remove an associate, reduce your benefit level or cancel your membership, those changes must be made at least three (3) days prior to your next scheduled payment date to be effective at the start of the next month.**

Additional Terms for AAA Auto Pay – Annual Dues or Automatic Payments – Monthly Dues Option

You agree that we may contact you at the phone number on file via a prerecorded voice message, auto-dialer, or text message in the event your automatic payment fails for any reason or in other circumstances related to your automatic payments or your membership. If your card issuing financial institution participates in the Card Account Updater program, we may receive an updated card account number and/or expiration date

for your card on file. Unless you opt out of the program with your card issuer, we will update our files and use the new information for AAA Auto Pay and Monthly Auto Pay. We will not receive updated information if your account has been closed.

Membership Cancellation Policy

AAA Texas may cancel any Primary or Associate Membership if the conduct of the Member or Associate member is determined to be harmful to the welfare, standing, or best interest of AAA Texas, its employees, or its members. Membership may also be cancelled if the service demands of the Primary Member or Associates are determined to be excessive. Primary Members are responsible for the conduct and the service demands of their Associates.

Collecting Your Contact Information

As a membership organization, it's vital for AAA Texas to have our members' current contact information (e.g., address, phone and email) in order to provide member benefits and to inform members of the various products and services offered by AAA Texas. We will ask for your contact information when you first become a member. Thereafter, when you contact us, we will ask for your contact information to authenticate your identity and to ensure that we have your most current contact information. If you provide an email address, we will send you emails informing you of Member products and services, unless you unsubscribe.

Non-Solicitation Request

If you do not want offers from us or our affiliates, contact your local AAA branch or write to AAA Texas, Attention: Membership Privacy PO Box 630588, Irving TX, 75063-0130 and provide your full name and street address, membership number, telephone number and email address along with your request to be placed in our Do Not Solicit File.

Your request will take effect within 60 days of our receipt. During this time, you may receive mailings that were already in progress. You will continue to receive AAA Explorer, other communications directly related to your membership, and promotional offers with your bills and renewal notices.

We send a privacy notice annually, as required by law. We reserve the right to modify this Notice at any time.

ROADSIDE ASSISTANCE

Roadside Assistance

Calls placed to our 24-hour call centers may be recorded to increase our ability to monitor the quality of service and assist in addressing member concerns. **Please contact us and cancel your service request immediately if you no longer need assistance.**

When requesting service, be prepared to provide:

- Your name and AAA membership number
- Telephone number from which you are calling or can be contacted
- The exact location of your vehicle and nearest cross streets
- Make, model, year, color and license plate number of the vehicle
- Nature of the trouble

A SAFETY MESSAGE

If you are concerned for your safety or for the safety of others, tell the AAA Texas service representative or the independent service provider. Procedures have been established to assist members in certain situations.

When requesting Roadside Assistance, it is very important to give an accurate location for you and your vehicle. If you are unsure of the vehicle's location, or you prefer not to remain with your vehicle, advise the service representative, who will work with you to establish a mutually agreeable location for the service driver to meet you. Accept service only from independent service providers that display the AAA or AAA Texas emblem.

YOUR AAA MEMBERSHIP CARD IS YOUR KEY TO SERVICE

To receive Roadside Assistance, you must present your AAA membership card or dues receipt and a matching valid driver's license or other state or federally issued photo identification to the independent service provider when the service vehicle arrives. You must provide a driver's license for identification if you are the driver.

Service is available only to the person named on the membership card who is the driver of or a passenger in the vehicle at the time of the covered vehicle disablement. AAA memberships are not transferable, and membership service is not provided to non-members. Members cannot transfer or sell their membership or any service call to any other person. Other members of your household who want Roadside Assistance must have their own membership cards, in their own names, to obtain service.

Unless a valid AAA membership card and matching valid driver's license or other state or federally issued photo identification are presented at the time of service, you will be required to pay for the covered service provided at commercial rates.

If a member is injured in an automobile collision, the independent service provider, when requested, will take possession of the vehicle and hold it until receiving instructions from the member. Any storage fees will be the responsibility of the member.

ALLOWABLE ROADSIDE ASSISTANCE SERVICE CALLS

Each AAA Texas cardholder is entitled to four (4) Roadside Assistance service calls or reimbursements for personal, non-commercial use per membership year at no charge, subject to the service limitations and conditions in this guide. There will be a service charge for each additional service call after the fourth service call or reimbursement. AAA Texas may require immediate payment of a service charge by credit or debit card for "Classic" benefit level service before providing Roadside Assistance on the fifth or subsequent service request in a membership year. Additional charges for Roadside Assistance services beyond the "Classic" benefit level, such as towing beyond 7 miles, the cost of emergency fuel, excess vehicle locksmith services, and services such as towing, extrication/winch and tire change service for RVs and motorcycles, will be payable by the member directly to the independent service provider at the time of service at such service provider's applicable rates. If the member is unable to provide a valid credit or debit card to AAA Texas at the time of service request or the charge is not approved by the credit or debit card company, AAA Texas may send service on a "Cash on Delivery" (COD) basis, meaning all charges payable by the member will be paid directly to the independent service provider at the time of service at such service provider's applicable rates. If a cardholder has an unpaid service charge balance and contacts AAA Texas for Roadside Assistance service, AAA Texas may require immediate payment of both the unpaid balance and the service charge for the current service call before providing service. The nonpayment of a service charge may result in cancellation of membership.

TYPES OF SERVICE

• MINOR MECHANICAL FIRST AID

When it is safe, minor repairs may be attempted at the scene to place the vehicle in a drivable condition. These repairs cannot be guaranteed, and members should immediately proceed to a repair facility to consult a mechanic. AAA Texas cannot guarantee the availability of repairs. The AAA Texas service representative or the independent service provider can assist you in locating a local AAA Approved Auto Repair facility, upon request.

- **FLAT TIRE SERVICE**
If the vehicle's spare tire is inflated and serviceable, it will be installed to replace a flat tire, if possible. When a serviceable spare tire is not available or cannot be installed, towing will be provided under the towing benefit. If this service is for an RV, it is subject to the RV/Motorcycle dollar amount limitations described in TOWING SERVICE – RV/MOTORCYCLES section below.
- **BATTERY JUMP START**
If your vehicle's battery is dead, the independent service driver will jump-start your vehicle if possible. If it cannot be started, towing will be provided under the towing benefit.
- **AAA BATTERY SERVICE**
AAA Battery Service is a mobile battery testing and replacement service. In areas where the service is available, a AAA Battery Service technician will test and assess the vehicle's battery and electrical system. If the existing battery fails the test and the member would like to have the battery replaced, the member can purchase a AAA battery. The technician will install a new battery, if available, that meets or exceeds the vehicle's original specifications. All batteries come with a 6-year limited warranty with a 3-year free replacement period valid in the U.S. and Canada.
AAA Battery Service is generally provided by independent service providers and is only available in select areas, during select hours. Batteries and battery warranties are provided by independent suppliers. Batteries are available for most makes and models. Battery prices vary depending on vehicle make and model. Copies of the warranties are available for inspection from the technician at any time upon request. Membership Roadside Assistance terms and conditions apply.
- **EMERGENCY FUEL DELIVERY**
If your vehicle runs out of fuel, a limited supply, will be delivered, if available, in an emergency situation to enable you to reach the nearest gas station. Classic members will be charged for the fuel. AAA Plus and AAA Premier members will not be charged for the limited supply of fuel. Diesel fuel must be requested when you request service and may not always be available. In some cases, your vehicle may have to be towed if it runs out of fuel.
- **EXTRICATION/WINCHING SERVICE**
If your vehicle becomes stuck, one normally equipped service vehicle and one driver will be provided to extricate or winch your vehicle when it can be safely reached from a normally traveled road or established thoroughfare. Extrication of vehicles parked on streets, driveways, parking lots or alleys which are snowbound or flooded is not covered under AAA membership. Service does not include shoveling snow from around a vehicle or clearing a road or driveway. If special equipment, more than one service vehicle or more than one person is required, the associated costs may be at your expense. AAA Plus and AAA Premier members who require extrication or winching for a vehicle, including an RV or motorcycle will be provided up to two drivers and two service vehicles, if needed, subject to the RV/Motorcycle dollar amount limitations described in TOWING SERVICE- RV/MOTORCYCLES section below.
- **VEHICLE LOCKOUT AND LOCKSMITH SERVICE**
When the keys are locked inside the vehicle passenger compartment, the independent service provider will attempt to gain entry. If this attempt is not successful and the services of a vehicle locksmith are required to gain entry, the expenses are fully covered or reimbursable.
(See Reimbursement.)

When the services of a vehicle locksmith are required for lost or broken keys, keys locked in the trunk, or other automotive emergencies, vehicle locksmith service up to \$60 in parts and labor will be provided for Classic members. AAA Plus members receive up to \$100 for parts and labor for the services of a vehicle locksmith, and AAA Premier members receive up to \$150 for similar locksmith services. If a vehicle locksmith is not available or cannot place the vehicle in an operable condition, towing will be provided under the towing benefit
- **TOWING SERVICE**
When a vehicle cannot be started or safely driven, due to a sudden or unexpected breakdown, accident or other covered vehicle disablement, towing service is available. A covered vehicle disablement is a sudden or unexpected mechanical, electrical or other failure of a motor vehicle that places the vehicle in an unsafe or undrivable condition. Not all independent service providers perform repairs at their facility. A member must be present when the vehicle is delivered to a closed repair facility. Towing beyond the benefits described in this section will be performed at the member's expense and may be subject to delay.
- **TOWING SERVICE – NON-RV/MOTORCYCLE VEHICLES** – The independent service provider can tow the vehicle back to its facility, no matter how far away, at no charge to the member. If you choose to have the non-RV/motorcycle vehicle towed to another location (including a AAA Approved Auto Repair facility), it will be towed without charge to a destination of your choice that is up to seven (7) driving miles from the point of breakdown on allowable service calls for Classic members and up to 100 driving miles from the point of breakdown on allowable service calls for AAA Plus.

With AAA Premier, you can use one (1) allowable Roadside Assistance service call per household per membership year for a non-RV/motorcycle tow of up to 200 driving miles, and the remaining allowable service calls in the membership year for non-RV/motorcycle tows of up to 100 driving miles.

AAA Plus and AAA Premier benefits increase the distance limits on non-RV/motorcycle tows for allowable service calls, but do not add extra allowable service calls. AAA Plus and AAA Premier towing may be subject to a delay.
- **TOWING SERVICE – RV/ MOTORCYCLES** – Tow benefit for RVs and motorcycles, as well as extrication and winching, and tire change service for RVs are available as allowable service calls for AAA Plus and AAA Premier members. AAA Texas will pay up to \$500 towards services per allowable RV/Motorcycle service call, up to \$1,000 total per household per membership year on allowable RV/Motorcycle service calls. Members will be responsible for all other costs of service above that amount. AAA Plus Members may use any or all of their four allowable calls for RV or Motorcycle service, subject to limits described in this Section.
- The benefit limitations described above will be effective for members who, on or after 4/1/2020, purchase new AAA Plus or AAA Premier memberships, upgrade their memberships to AAA Plus or AAA Premier, at renewal of their current AAA Plus or AAA Premier memberships (for annual dues) or at the effective date (for monthly dues). Until such changes are effective, AAA Plus and AAA Premier members will be towed without charge to the destination of choice that is up to 100 driving miles from the point of breakdown and there is no dollar limit on extrication and winching or tire change service on allowable calls.

RENTAL CAR BENEFITS

(In conjunction with an in-state Roadside Assistance Tow)

A member whose car is being towed and who needs a rental car in Texas can get a replacement vehicle at a discounted rate from a AAA Texas preferred rental car provider. AAA Plus members receive a complimentary one-car-class upgrade in addition to the AAA discounted rate. If the one-car-class upgrade vehicle is not available, the AAA Plus member will receive the next higher car class, subject to availability.

If you are a AAA Premier member whose car is being towed and who needs a rental car in Texas, we will arrange for you to get a midsize class or equivalent rental car for one (1) day, at no charge, from a AAA Texas preferred rental car provider. Rental must be arranged by AAA Texas. Each AAA Premier cardholder is entitled to one (1) complimentary one-day midsize class or equivalent rental car per membership year. The AAA Premier member has up to 48 hours from the time of the tow to contact AAA Texas and request the one-day complimentary rental car benefit. Service must

be provided by the rental car provider arranged through AAA Texas by calling the AAA Roadside Service number on the back of the membership card and cannot be for an out-of-state rental. AAA Premier members are responsible for subsequent days' rental charges, upgrades, vehicle insurance, mileage and fuel charges, and any other charges, fees or taxes.

Once the one-day complimentary rental car benefit has been used, AAA Premier members are entitled to the AAA discounted rental car rates and complimentary one-car-class upgrade described above for the balance of the membership year. The complimentary one-car-class upgrade may not be used in combination with the one-day complimentary rental car benefit.

You will need to present your AAA membership card and a major credit card at the time of rental. Normal rental qualifications and other restrictions, including age restrictions, apply. Rental cars are subject to availability. Rental fee subject to change. A refundable deposit may be required.

Members who obtain a rental vehicle from a AAA Texas preferred rental provider can receive assistance to get to a rental location. Assistance includes having a vehicle delivered to the member the next day or pickup and drop off to the nearest rental location or up to a \$50 reimbursement for taxicab fare to the nearest rental location. The taxicab fare expense will be deducted from the charge for rental days, or if the rental is a one (1) day rental only, and the rental charges do not exceed the taxicab fare, the AAA Texas preferred rental provider will return the reimbursement by mail to the member, provided that member supplies the receipt and proof of breakdown to receive the reimbursement. For AAA Premier members, if the rental is a one (1) day complimentary rental only, the AAA Texas preferred rental provider will return the reimbursement by mail to the member, provided that member supplies the receipt and proof of breakdown to receive the reimbursement.

RIDE ASSIST

If you are a AAA Premier member and have an accident or breakdown, a AAA Texas representative can help you make rental car or other transportation arrangements.

ACCIDENT ASSIST

AAA Premier members can receive verbal assistance at the time of an accident or breakdown. When you call for Roadside Assistance, a AAA Texas representative can help you contact family members, locate restaurants and find hotel accommodations.

ROUTE SUPPORT

AAA Premier members can call AAA Premier services from within the U.S. to receive driving directions and assistance. Whenever possible, members should pull over to a safe spot before making a call to use this service.

INDEPENDENT SERVICE PROVIDERS

Roadside Assistance services as described in this guide are generally provided by independent businesses under contract to AAA Texas (not employees or agents of AAA Texas, the American Automobile Association or other AAA clubs). These businesses are selected for their ability to provide Roadside Assistance. We cannot guarantee they will have parts or be able to provide repairs.

While responsibility for injury, loss, damage or unsatisfactory workmanship caused by the acts or omissions of any independent service provider remains with the independent service provider, AAA Texas will attempt to assist members in resolving complaints involving an independent service provider. Member complaints should be received as soon as possible and before additional repairs are made. Failure to do so may limit our ability to assist.

ELIGIBLE VEHICLES

The following motor vehicles are eligible for service, provided they qualify for highway registration and are not loaded, altered or constructed in such a way as to cause damage or create a hazard when being serviced:

- Automobiles, pickup trucks, sport utility vehicles, vans, minivans and light utility motor vehicles are eligible for those services which can be safely performed with equipment available from the independent service provider, including slings, wheel-lift devices, car carriers (flatbeds) and dolly wheels.
- Recreational Vehicles (RVs) are eligible for service with the exception of towing, extrication/winch and tire change service. Towing, extrication/winch and tire change service for RVs is available under AAA Plus and AAA Premier benefits. RVs include motor homes, camper vans, cab-over campers, and recreational trailers including camping trailers, fifth wheel trailers, and utility trailers carrying recreational vehicles or equipment (excludes commercial and horse/livestock trailers). ATV trailers, boat trailers, and personal watercraft trailers must be carrying their designated recreational equipment or must be empty to be eligible for service.
- Motorcycles are eligible only for the delivery of fuel and locksmith services. Towing and extrication and winch service for motorcycles is available under AAA Plus and AAA Premier benefits. Motorcycles must be licensed for highway use.

SERVICE OUTSIDE TEXAS

Outside Texas, AAA Texas members are entitled to Roadside Assistance from the local AAA or Canadian Automobile Association (CAA) club servicing the area. Members will be required to pay the independent service provider for any service that the local AAA or CAA club does not normally provide its members. An application for reimbursement of service charges may be submitted to AAA Texas for consideration. (See Reimbursement.)

CHECK ACCEPTANCE FOR EMERGENCY REPAIRS

A member's personal check for up to \$250 will be accepted by the independent service provider for emergency repairs and services. A valid membership card and driver's license will be required for identification.

EXTREME SERVICE CONDITIONS

AAA Texas will make every effort to ensure that the provision of Roadside Assistance can be made under all conditions. During severe weather or road conditions, however, there may be some service delays before help can reach you. Heavy traffic may also delay the arrival of the service provider driver. Because towing is by far the most time consuming type of service AAA Texas provides, towing operations may be temporarily suspended to avoid excessive delays to members waiting for other services. During such times, priority will be given to members stranded away from shelter or to members with vehicles that have skidded and/or become stuck on highways in severe snowstorms.

SERVICE LIMITATIONS

Service will be limited to that which can be provided with equipment ordinarily used for Roadside Assistance by the independent service provider serving the area. Service will not be provided when the disabled vehicle cannot be safely reached or serviced without damage to the vehicle or servicing equipment.

Service may not be used as a substitute for regular maintenance necessary to keep a vehicle in good operating condition. AAA Texas cannot render service repeatedly to a vehicle in need of repair.

Service is intended for personal, non-commercial use, and only provided for a covered vehicle disablement. An individual's AAA membership may not be used by a business or organization to provide roadside assistance for its customers, employees or vehicles, including, but not limited to, taxicabs, limousines, shuttles and other commercial vehicles for hire.

Towing service will not be provided for the purpose of transporting vehicles due to a purchase, sale, renovation, auction transaction, car show

exhibition, charitable donation, relocation or any other similar situation. Such tows are considered "convenience tows" and are not covered roadside assistance services.

Without limiting any other rights or remedies it may have, AAA Texas may seek reimbursement from a primary or associate member for roadside assistance services fraudulently or wrongfully obtained by the primary or associate member. Primary members are responsible for the conduct and the service demands of their associate members.

The following services are not provided under the membership benefit:

- Service to a vehicle located in an area not regularly traveled by private passenger vehicles (such as a beach, open field, creek bed, private, logging or forest service road).
- Shoveling snow from around a vehicle or clearing a road or driveway.
- Servicing or extrication of vehicles on inaccessible streets, back roads, driveways, parking lots or alleys which become snowbound or flooded.
- Towing of vehicles purchased in an inoperable condition.
- Cost of vehicle locksmith services beyond what is necessary to place the vehicle in a condition to be safely driven (such as duplicating keys, non-emergency lock repairs and re-keying of vehicle locks).
- Service in situations where a membership card and a matching valid driver's license or other state or federally issued photo identification is not provided to the service driver. You must provide a driver's license for identification if you are the driver.
- Use of two or more Roadside Assistance service calls to extend the member tow mileage benefit for the same breakdown.
- Towing, extrication/winch and tire change service for RVs and towing and extrication and winching service for motorcycles, unless the member has AAA Plus or AAA Premier benefits.
- Towing to or from auto dismantlers or salvage yards, or from one storage location to another.
- The installation or removal of snow tires or chains.
- Charges related to impound or stolen vehicle recovery, towing or storage.
- Installation of automotive parts that are not provided by an independent service provider.
- AAA Plus and AAA Premier services prior to seven (7) calendar days after processing, and receipt of the full payment due.

REIMBURSEMENT

If it is necessary for a member to pay for covered membership service at commercial rates, the member must request an itemized receipt listing the member's name, vehicle and services rendered by the service provider. For reimbursement consideration, the member must present or send the original receipt and an explanation of the circumstances to any AAA Texas branch within 60 days of the date of service. A reimbursement counts as a Roadside Assistance service call. (See Allowable Roadside Assistance Service Calls.)

Reimbursements for services, including services received outside of Texas, will only be considered for those membership services which AAA Texas provides without charge. (Exception: Vehicle locksmith service will be reimbursed up to \$60 for Classic members, up to \$100 for AAA Plus members and up to \$150 for AAA Premier members.) Certain terms, conditions and exclusions apply and are subject to change without notice. A service charge will be deducted from a reimbursement when applicable. Reimbursement is not provided for taxi fares, telephone calls, rental cars, etc.

Members will be reimbursed for membership services at the prevailing commercial rates when AAA service was requested from a AAA or CAA club, but the membership could not be verified. Reimbursement will be issued upon subsequent verification that the member's valid membership was in effect at the time of service.

PARTIAL REIMBURSEMENT

Only partial reimbursement, limited to the amount AAA Texas would have paid an independent service provider, will be made when AAA was not contacted to provide service. If towing is covered by an automobile insurance policy, the maximum reimbursement for a tow bill will be limited to the amount AAA Texas would have paid an independent service provider to provide the service. Certain terms, conditions and exclusions apply and are subject to change without notice. A service charge will be deducted from a reimbursement when applicable.

Home Lockout

If you are a AAA Premier member and you become locked out of your home, you can receive up to \$100 in locksmith services to pick or drill the lock to gain access to your home from the outside. Home lockout service is reserved for a AAA Premier member's primary residence in Texas only and excludes all other buildings or locked areas. The service provides up to \$100 for the cost of re-keying, changing locks or making a new key only when the lock must be drilled to gain entry to the home or if keys are lost or stolen. Any charges in excess of \$100, as well as all charges associated with any other residential locksmith services, are at the expense of the AAA Premier member.

Home lockout service is limited to one (1) usage per AAA Premier household per membership year. Home lockout service is not transferable to any other person. The AAA Premier member must be present at the time of service. Identification and proof of residence is required. In the case of rental property, approval of the property owner may be required. Service is valid only in Texas. Service is provided by independent locksmiths and is subject to availability; if AAA Texas cannot dispatch service, the member will be referred to a commercial locksmith and will be reimbursed for covered service up to \$100. Locksmith arrival time is based on locksmith availability.

TRAVEL
